How It Works

Our Reformer classes are micro-group classes (maximum four people), so you can be assured of the highest quality and highly personalised instruction. Your Coach is fully qualified to National Standards, and fully trained to the exacting and higher standards of the *Pilates in Loughborough with Jane Thomas* company, part of *First Class Pilates – the Pilates Instruction Specialists*.

You join a class running on a specific day and time. Payment is through our Monthly Payment Plan only, and costs £41 a month, between September and August inclusive (with the first payment being taken in September 2018 and the last payment being taken on 1 August 2019). If you join part-way through a year, the cost is still £41 a month, taken from the month you join through till and including August 2019.

Each specific class runs 34 times a year, and you can attend as many or as few of those specific classes as you would like during the year. How many classes you attend is totally up to you. If you attend the maximum 34 of your specific classes the cost works out at £14.47 per class.

NB Due to class size of only 4 spaces, Reformer classes do not have an official Catchups system. There is however an unofficial way to get Catchups by manually checking for spaces in other class registers.
